Parking: Vehicles must be parked in designated areas only. Residents must not park in reserved or visitor parking spaces without appropriate authorization. Improperly parked vehicles may be subject to towing at the owner's expense.

Garbage Disposal: Residents are required to dispose of their garbage properly by segregating waste into the appropriate recycling bins provided. Garbage should not be left in hallways, stairwells, or other common areas.

Pet Policy: Pets are welcome in our community but must be registered with the society's management office. Owners must ensure their pets are on a leash in common areas and are responsible for cleaning up after their pets.

Alterations to Property: Any modifications to the exterior appearance of a residence, including balcony decorations, window treatments, and external fixtures, require prior approval from the society's management to maintain architectural uniformity.

Use of Common Areas: Common areas such as the garden, playground, gym, and clubhouse are shared facilities. Residents must keep these areas clean after use and follow all posted rules and regulations regarding their use.

Security: For the safety of all residents, it is crucial to ensure that all doors and access points are secured. Report any suspicious activity to the society's management or security personnel immediately.

Maintenance Requests: Residents should report any maintenance issues in their apartments or common areas to the management office through the designated channels. Prompt reporting helps in quick resolution and maintenance of our facilities.

Compliance with Laws: Residents must comply with all local, state, and national laws while on the premises. This includes regulations pertaining to substance use, public behavior, and criminal activities.

Community Events: Participation in community events is encouraged. These gatherings are a great way to meet neighbors and engage with the society. Information about upcoming events will be communicated through official channels.
